No.

### The Licensing office had before them:

- 9th edition of the HFEA Code of Practice.
- Standard licensing and approvals pack for committee members.

---

## 1. Consideration of Application

- 1.1.** The Licensing Officer noted that the name is presently **The Agora Gynaecology and Fertility Centre** and the centre now wishes to be known as **Agora Clinic Brighton**. The Person Responsible (PR) has therefore submitted an application to rename the centre.
- 1.2.** The Licensing Officer noted the inspectorate's recommendation to approve the variation of licence to change the centre's name.
- 1.3.** The Licensing Officer noted that the centre has been issued with an Importing Tissue Establishment (ITE) importing certificate, pursuant to the Human Fertilisation and Embryology (Amendment) Regulations 2018. If this application is approved, the centre's ITE certificate should be amended to reflect the new centre name.

---

## 2. Decision

- 2.1.** After considering the recommendation of the inspectorate and all supporting documentation, the Licensing Officer changed the name of the centre to **Agora Clinic Brighton**.
- 2.2.** The Licensing Officer agreed that the centre's ITE's import certificate should be amended to reflect the new centre name.
